Zhenghua Symphonic Band (ZSB) is a Singapore Youth Festival (SYF) Gold Band whose vision is "Music. Life. Love, Band". The vision represents that the band exists for music, gives life and love to others and among ourselves. Not new in the charity scene, ZSB has been supporting charity events like performing at the NTU Hall 4 Charity for the Cancer Children and visiting HCA Hospice Care (HCA) yearly.

Other than ZSB, Zhenghua Secondary School has always collaborated closely with HCA in the Sec 3 students' CIP programme.

This year, ZSB is organizing a charity concert whereby all proceeds will go to HCA as part of their support and partnership over the years. It is hoped that through this event, ZSB can also contribute to the financial needs of the organisation.
