

100k FOR 100k

HCA Hospice Care's terminally ill patients don't journey alone. We're with them, every step of the way, providing them with free medical and psychosocial help in their homes.

To celebrate this year's World Hospice & Palliative Care Day (11 October), Dr Tan Poh Kiang, HCA's President, will be running his own 100k km journey from 10-11 October to raise \$100,000 for the patients of HCA Hospice Care.
