Consider the timing and schedule of your campaign. Launching it near or during special celebrations or festivals could encourage giving.

Your giving page can be set to **run up to 365 days!**
For starters, **we recommend 3 months.**
*You can extend your campaign duration at any time while the page is still active.

Click **"NEXT"** to complete setting up your page.

Upon submission, your page will be reviewed by the Advocacy & Partnerships team at HCA Hospice and set to go **"live"** once approved.

For enquiries, you can reach out to us at contactus@hcahospicecare.org.sg

Once your page is live, share the link with your family and friends via social media or text messages, and invite them to support your cause alongside you.

Creating Good Days

HCA Hospice journeys alongside patients and families, offering compassionate care that extends beyond medical support to include psychosocial and bereavement services.

We create good days because every life should be celebrated, even at its end. Our patient-centred and family-focused model of care advocates dignity, diversity, and development for all individuals.

All of HCA's services are provided at no charge, and supported by the generosity of the community.
